LAWRENCE GARDEN CLUB

Each month, the Lawrence Garden Club has different events and speakers to cover many different interests. In the past, we've had speakers on native plants, beekeeping, flower arranging, and even short field trips to local greenhouses.

Some of our projects include filling the planters for the Conference Center seasonally, and we also fundraise for gardening causes including the Loda Lake Wildflower Sanctuary, the Sarett Nature Center for educational activities, and the Fernwood Children's Garden.

Anyone can join! We are looking for people who are interested in gardening and want to participate in our activities. The membership dues are only \$10 annually (\$6 of this is sent to the Michigan Garden Club). You will receive quarterly newsletters from the Michigan Garden Club with updates from around the state.
